Grant of License

Definitions

"Omnis Software" means Omnis Software Inc, Omnis Software Ltd., or Omnis Software GmbH. "Software" or "Software Product" means the specific Omnis development and deployment software on the enclosed CD-ROM, the associated documentation and any maintenance software releases provided pursuant to the warranty or a support program. This Software is licensed, not sold. Omnis Software grants the purchaser (the "Licensee") a non-exclusive license for the use of the Software as follows. The Licensee may either:

Individual Machine Usage:

- (a) Install the Software on multiple computers, any platform type, provided that those computers are used solely by the same individual at all times; or
- (b) Install the Software on a single computer which may be used by different users from time to time but not simultaneously.

If the Software is to be used by more than one user under option (a) above or on more than one computer under option (b) above, the Licensee must purchase or lease a number of copies (or a multi-user license representing multiple copies) of the Software equal to the number of users under option (a) or computers under option (b).

Network Usage:

The Licensee may also store or install a copy of the Software on a storage device, such as a network server, used only to install or run the Software on other computers over a network; however, the Licensee must acquire and dedicate a license for each separate computer on which the Software is installed or run from the storage device. A license for the Software may not be shared or used concurrently on different computers.

Web Client Usage:

The Licensee may deploy unlimited numbers of copies of the web client libraries for use with an Omnis runtime. The number of concurrent users of the web client libraries that can access the runtime is determined by the web serial number purchased.

Chargeable Deployment Types:

Within the guidelines described above, any deployment of Software is chargeable, regardless of data file type, location or database publisher (e.g. Oracle, Sybase, etc).

The Licensee may not rent, lease or lend the Software.

The Licensee transfers all of the Software (including all component parts, media, printed materials, any upgrades, the Agreement that accompanied the Software) and the recipient agrees to the terms of the License Agreement. Omnis Software must be notified in writing of the transfer of ownership.

Termination

Without prejudice to any other rights, Omnis Software may terminate this License if the Licensee fails to comply with the terms and conditions of this License or fails to fully pay for the Software as agreed to at the time of sale. In such event, all copies of the Software and all of its component parts must be destroyed.

Limited Warranty

Omnis Software warrants that the media on which the Software is furnished will be free from defects in materials and workmanship under normal use for a period of 30 days from the date of the original purchase. Omnis Software will replace any media which fails to meet this limited warranty. If Omnis Software is unable to deliver a replacement which is free of defects in materials and workmanship within a reasonable period Licensee may terminate this Agreement by returning the Software together with proof of purchase for a full refund. This is Omnis Software's entire liability and your sole remedy in the event of media defect. Furthermore, Omnis Software hereby limits the duration of any implied warranties on the media to the period stated above.

OMNIS SOFTWARE DOES NOT GUARANTEE, WARRANT OR MAKE ANY REPRESENTATION THAT THE FUNCTIONS CONTAINED IN THE SOFTWARE WILL MEET THE LICENSEE'S REQUIREMENTS, OR THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS IN THE SOFTWARE WILL BE CORRECTED. FURTHERMORE, OMNIS SOFTWARE DOES NOT GUARANTEE, WARRANT OR MAKE ANY REGARDING THE USE OR THE RESULTS OF THE USE OF THE SOFTWARE IN TERMS OF THEIR CORRECTNESS, ACCURACY, RELIABILITY, CURRENTNESS OR OTHERWISE. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY OMNIS SOFTWARE OR AN AUTHORISED REPRESENTATIVE OF OMNIS

SOFTWARE SHALL CREATE A WARRANTY OR IN ANY WAY INCREASE THE SCOPE OF THIS WARRANTY. SHOULD THE SOFTWARE PROVE DEFECTIVE, THE LICENSEE (AND NOT OMNIS SOFTWARE OR ITS AUTHORISED REPRESENTATIVES) ASSUME THE ENTIRE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION.

Limitation of Liability

In no event, including negligence, will Omnis Software or its directors, officers, employees or agents be liable to the Licensee for indirect, special, incidental or consequential damages, including but not limited to any loss of data or business information or loss of profits, arising out of the use or inability to use the Software even if Omnis Software or an authorised representative thereof has been advised of the possibility of such damages.

In no event shall Omnis Software's total liability hereunder for all damages, losses and causes of action (whether in contract, tort (including negligence) or otherwise) exceed the amount paid by the Licensee for the Software except that Omnis Software does not exclude any liability for death or personal injury arising from proven negligence. The Licensee shall indemnify Omnis Software against any claim for loss or damage of any kind suffered by a third party arising from the use by that third party of any application developed using the Software.
