

Post Codes

The Post Codes Module has all Post Codes available Australia wide.

Suburb	State	P.Code	Northings	Eastings	Map Reference part Path Name.
--------	-------	--------	-----------	----------	-------------------------------

To change the Post Codes to the relevant State, click on 'Select State Here'.

To include an additional Post Code, select 'New' and enter Suburb, State and Post Code.

To add a map reference to the Post Code click on 'Add Map Ref Jpeg file'. The following window will appear.
