4.5 Reports

4.5.1 Report Schedule Cables Terminated

A screenshot of a software window titled "Report Schedule Cables Terminated". The window has a blue header bar and a white body. The main area contains a table with the following columns: "Task No", "Task Description", "Total No", "Terminated", "Complete", "Term Hrs", and "Term Cost\$". The table is currently empty. Below the table, there are two buttons: "Report Schedule Cables Terminated" (with a document icon) and "Report Schedule Cables Installed" (with a cable icon). At the bottom right of the window, there is a "Close" button. The window also features standard Windows-style window controls (minimize, maximize, close) in the top right corner.

4.5.2 Report Schedule Cables Installed

The screenshot displays a software application window with a blue header and footer. The main area contains a data table with the following columns: Task No, Task Description, No of Cables, Complete, Comp %, Estimated M, Actual M, Mtr Marked, Est Hrs, Act Hrs, Est Cost \$, and Actual Cost \$. The table is currently empty. Below the table, there are two buttons: 'Report Schedule Cables Terminated' and 'Report Schedule Cables Installed'. To the right of these buttons are four icons: a green square with a white 'X', a yellow building icon, a red 'A' icon, and a blue square with a white 'X'. A 'Close' button is located in the bottom right corner of the window.
